Identification of prior art discussed:

Keith et al US Patent 4 883 761

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Attorney was called to indicate that claims were allowable pending minor amendments to the claims. However, due to a potential interference, ex parte prosecution would be suspended. Attorney agreed to an amendment to the claims to place the application in condition for allowance. An Examiner's amendment to the claims was to delete "exo" from the term "exotoxin" in the claims which included this term. This amendment was made to be consistent with the prior art terms. Keith et al is withdrawn in view of the amendment to the claims to define the modified amino acid residue as arginine 9.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. ☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. ☐ Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign and stamp this form unless it is an attachment to a signed Office action.
